BOARD OF DIRECTORS

PRESENT: Walter Reynolds, Chair; David Abney; Elizabeth Connor; Jeff Gore; Belinda Kenley; Mike Stevens; LaShea Lofton, and Tom Whelley. Jacquelyn Powell attended via electronic means and consistent with Ohio's Open Meetings Law, did not vote on matters during the meeting;

EXCUSED: Jeff Gore, Kevin Weckesser and David Abney

GUESTS: Pam Plageman, Executive Director Sean Fraunfelter, Fiscal Officer Kelli Donahoe, John Page ASM Global Vicki Giambrone, CBD Advisors Shannon Martin, Bricker & Eckler

I. Roll Call

Chairman Reynolds called the meeting to order at 03:03 P.M. and Ms. Giambrone called the roll.

II. Approval of minutes of the May 6, 2021 Meeting Minutes

Chairman Reynolds asked members of the Board if they had any edits to the May meeting minutes. Ms. Powell stated there was an extra word under the Finance Committee report, Robert W. Baird & Co. Engagement Letter for Financial Services. With that change noted, Mr. Reynolds called for a motion to approve the minutes.

MOTION: It was then moved by Ms. Conner and seconded by Mr. Whelley and unanimously voted "to approve the May 6, 2021 meeting minutes with corrections."

III. Reports & Communication

A. Finance Committee Report

i. Procurement Policy

Ms. Lofton presented the procurement policy on behalf of the Finance Committee. She stated it outlines the process and scope of securing goods and services and notes the exceptions such as specialized services and/or emergencies. She went on to say that the policy establishes set spending levels and the policy is compliant with state rules. Ms. Lofton added they are still working on some minor wording changes to page 6 and that the Finance Committee recommends approval of the policy with those changes. Mr. Reynolds asked if the policy is consistent with policies of other like public bodies. Ms. Lofton answered affirmatively and stated that there had also been a review by the legal team and that review found the policy was compliant and consistent with other public bodies.

MOTION: It was then moved by Ms. Kenley and seconded by Mr. Whelley and unanimously voted "to approve the adoption of the Procurement Policy as recommended by the Finance Committee."

ii. Bond Counsel RFQ Award

Mr. Whelley presented on behalf of the Finance Committee and stated that Robert W. Baird & Co. worked with the Finance Committee to establish and facilitate the process to select Bond Counsel. He stated that proposals were received, and the Finance Committee reviewed each proposal. Mr. Whelley went on to state that the proposal from Bricker & Eckler was the most responsive overall, and the Finance Committee recommends Bricker & Eckler to serve as Bond Counsel for the MCCFA.

MOTION: It was then moved by Ms. Kenley and seconded by Mr. Stevens and unanimously voted "to approve Bricker & Eckler as the Bond Counsel as recommended by the Finance Committee."

iii. DCC Elevator Cab Refurbishment/ASM Capital

Ms. Plageman stated that the Convention Center elevator cabs have been in need of refurbishment, and Oracle Elevator led a competitive bid process to improve the cabs. She stated the Finance Committee reviewed the bids and is recommending JSI as the firm to complete the work. Mr. Whelley asked how long the work is expected to take, and Ms. Plageman stated the project will take 8 to 12 weeks based on the availability of the materials.

MOTION: It was then moved by Ms. Lofton and seconded by Ms. Connor and unanimously voted "to engage JSI to complete the elevator cab renovations as recommended by the Finance Committee."

iv. DCC Lobby Furniture Replacements/ASM Capital

Ms. Plageman informed the Board that the team had been working to identify options for the replacement the lobby furnishings. She stated that through a competitive bidding process, the Finance Committee has elected Elements IV Interiors, a local MBE firm for that work.

MOTION: It was then moved by Ms. Kenley and seconded by Mr. Stevens and unanimously voted "to approve the lobby furniture replacement with Elements IV Interiors as recommended by the Finance Committee."

B. Operations Committee Report

i. Architect Design RFQ/Award

Ms. Kenley presented on behalf of the Operations Committee that David O'Neal had led the RFQ process to select an Architectural and Design firm to lead the renovation process. Ms. Kenley and Ms. Plageman described the evaluation process and the proposals received from the various responding firm and reported the recommendation of the committee to select LWC, Inc. and LMN Architects.

MOTION: It was then moved by Ms. Kenley and seconded by Ms. Lofton and unanimously voted "to select the partnership of LWC, Inc. and LMN Architects to serve as the Architects Design firm for the facility renovation as recommended by the Operations Committee."

C. Fiscal Officer Report

i. May Financial Report including DCC April Financials

Mr. Fraunfelter presented the financials and shared that hotel/motel tax collections are increasing and most of the collection issues have been resolved. He stated that the process of E-checks has worked well with 85% of collections coming through that process. Mr. Whelley asked about the need to add credit cards as a payment option and pass along a fee to those who choose that option. Ms. Lofton stated that the rules associated with governmental agencies are different. Mr. Fraunfelter stated the costs associated with that option make it less desirable and currently that has not been a regular request. Mr. Whelley then suggested the MCCFA staff do an update for the hotel/motel community, so they know how the funds are being utilized.

Mr. Fraunfelter informed the Board that the Finance Committee continues to review the financials as well.

MOTION: It was then moved by Mr. Whelley and seconded by Mr. Stevens and unanimously voted "to approve the May Financial Report and April Financials as presented."

ii. 2021 Revised Budget w/ASM Global

Mr. Fraunfelter presented to the Board the revised budget based on consultation with the ASM Global team. He noted that he will continue to include the financials for the joint account with ASM Global which includes the operating costs.

MOTION: It was then moved by Ms. Lofton and seconded by Ms. Connor and unanimously voted "to approve the 2021 Revised Budget as presented".

D. Executive Director Report

i. Progress Report - Dayton Convention Center Improvements

Ms. Plageman stated that repairs and improvements continue. She stated that both chiller units are now working for the first time in many years. She then added that repairs were made to the escalators and new signage is being installed. Ms. Donahoe, the new General Manager of the Dayton Convention Center, reported that the new staff is in place, and they bring considerable sales and operations experience. They are already showing some success with 41 events booked for the remainder of 2021, and 47 events booked for 2022. She added that the new software will allow for a better booking and planning process and will be a huge improvement for those interested in booking an event.

Ms. Lofton asked now that the reopening had taken place, how will the Center reach out to groups. Ms. Donahoe stated that she is partnering with Ms. Powell's team to reach out to those who have booked in the past.

Ms. Plageman added that the plan is to host a stakeholder's event for the hotel/motel operators. She added that a separate event for other community leaders would also be held sometime in September.

ii. Cooperative Purchasing – Joint Powers Authority (JPA) R.C. 9.48(C).

Ms. Plageman shared that the City of Dayton staff had shared with her the opportunity to use Sourcewell and Omnia Partners for cooperative purchasing. She stated that the products and vendors they use are approved, Ohio State recognized, cooperative contracting methods that meet and satisfy the public bid process for products and vendors. The vendors and products have already gone through the competitive RFP process and are awarded contracts by procurement experts. She stated that this will provide the MCCFA the ability to speed up the process and also fulfill any state requirements for bidding or RFP process via Joint Powers Authority (JPA).

iii. Updates on Hotel/Motel Tax Collections – April/May 2021

Ms. Plageman reiterated Mr. Fraunfelter comments regarding the strong increases and collection of the Hotel/Motel excise tax. She noted that now that they have gotten the right addresses and contacts for some of the properties, much of the confusion or lack of payment has been resolved.

Ms. Plageman also stated that beginning July 10th the City of Dayton will also be transferring the first quarterly payment of City Hotel/Motel Excise tax over to the MCCFA.

IV. Executive Session

Ms. Kenley made a motion to adjourn to Executive Sessions for the purpose of conducting a conference with an attorney or attorneys for the Authority concerning disputes involving the Authority that are the subject of pending or imminent court action. The motion was seconded by Mr. Stevens.

After a roll call vote, the Board adjourned to executive session and invited Ms. Plageman, Ms. Martin, Mr. Fraunfelter and Ms. Giambrone to join the session. Following discussion with counsel, a motion and roll call vote, the Board returned to open session.

V. Other Business

Ms. Martin was asked to elaborate on the requirement of Ohio's Open Meetings Law now that the exception permitting use of virtual meetings has expired. Ms. Martin informed the Board that Members can still join virtually, but they will be unable to participate and vote on matters.

Mr. Reynolds announced that Mr. Brush had to resign his role on the Board due to work commitments. He noted that the County Commissioners will make a new appointment, and he has spoken with Commissioner Dodge.

Mr. Reynolds also asked if the Board would be willing to change the time of the meeting to meet Mr. Gore's request. He is a teacher, now that meetings are in person, he cannot make the 3:00 P.M. timeline. The group discussed changing the start time to 4:00 P.M.

Ms. Giambrone suggested that the Board host a legislative roundtable for the regional delegation so that they can see the progress since they passed the legislation last year to create the MCCFA. The Board agreed and asked Ms. Giambrone to assist.

Mr. Reynolds then reminded the Board the next meeting is August 5th at 4:00 P.M.

MOTION: It was motioned by Ms. Lofton and seconded by Ms. Kenley and unanimously approved to adjourn at 4:55 P.M.

Sourcewell – Cooperative Purchasing

Sourcewell is an approved contracting method in all 50 states including Ohio that **meets and satisfies** the public bid process for products and vendors that have gone through the Sourcewell RFP process. This give all government agencies, school's or non-profit's the ability to purchase any of Hussey Seating equipment without having to issue **another RFP or bid**. We provide a cost sheet to purchasing to confirm pricing with our Sourcewell published discounts.

SOURCEWELL ADVANTAGES:

Sourcewell is a government agency that has already bid all of Hussey seating products and has qualified Hussey Seating as the most responsive bidder for our product offering. This **saves you months** in the selection process by picking Hussey Seating from day one since we already fulfill any state requirements for bidding or RFP process via Joint Powers laws.

- Our price list is published since it has already been bid and all cost estimates are audited by Sourcewell.
- Eliminates contractor/Architect fees as Hussey Seating pricing includes this coordination.
- Eliminates bid disputes on RFP's or bid day which cost money and time.
- **Change order disputes are eliminated** as our price list is published to you and audited by Sourcewell.
- Allows you to order exactly the product you want as we work with you to design solutions geared toward your events and building operations.
- All drawings and samples are done at no additional cost.
- Future replacement parts can be purchased on Sourcewell, so you are guarantee the best pricing.

MAXAM+ UNDERSTRUCTURE

A. Posi-Lock[™] LX These automatic row locks prevent accidental closure when the system is in use. This patented, innovative, low-profile design minimizes the chance of accidental damage, ensuring consistent operation.

B. Nose & Riser Beam These rolled form structural members provide continuous deck support, and are through-bolted to the frame and stabilizers. These designs deliver unparalleled strength, durability and rigidity.

C. Continuous Positive Interglide

This interlocking glide system is a rigid, one-piece formed design which tracks better and operates easier than systems with 1/2" (13 mm) row to row engagement. The 10" (254 mm) minimum interlock provides the industry's most rigid, stable design. Our wheels are 5" (127 mm), resulting in less rolling friction.

11.4

D. Captive Interlock & Adjustable Row Stops

The Captive Interlock System engages and aligns deck to deck. In addition, MAXAM® can be configured for three different row-spacing setups—adjustable on-site if required. MAXAM incorporates three stabilizer assemblies per section to provide improved tracking and stability.

E. Full-Length Captured Decking Decking is captive in the riser beam and rests on the nose, firmly secured by the seat bracket. This system provides a stiff, secure walking surface with no exposed hardware. MAXAM is the only telescopic gym seat that utilizes transverse decking, using decking materials in accordance with their industry span rating. Load tested and independently verified, MAXAM's support system provides an enhanced level of performance, safety and stability.

F. Slant Frame Design Load-tested and certified for 30 tier single stack sections up to 25' 6" (7772 mm), our slant frame design delivers improved cantilever strength and capacity. It also simplifies the installation process, reducing downtime for the facility. Critical support areas are all fastened with bolts, lock washers and hex nuts. Only MAXAM incorporates a steel to steel connection where the frame meets the wall, creating a stronger union and a safer gym seat.

G. Tension Bracing Through bolted to the frame to provide additional stability. All bracing is coined to remove sharp edges, and all ends are rounded for safety.

Comfortable Telescopic Platforms are no longer a dream, courtesy of the wide variety of seating solutions that both our MAXAM+[™] and MXP Telescopics can support. Sleek, slim and easy to install, the Metro[™] line is a giant leap towards getting the most out of your facility. Available in both telescopic and fixed versions, Metro allows perfect continuity throughout a facility. Metro features whisper-quiet seat operation and fits in an amazingly tiny 6 ½" (165 mm) stored envelope.

Metro seats easily fit into both new and existing facility dimensions. The beam-based system allows easy adjustment and makes future maintenance, chair replacement and upgrading a breeze. Composite finishes from all polymer to fully padded seats provide patrons with a singularly comfortable game time experience with this ergonomically designed seat. Gas strut lift assist mechanisms and the ability to quickly adjust the seat to limit movement make this seat a fan of the facilities operations staff.

If there is a change in materials or scope of work, a new proposal must be issued by Milliken Services, LLC. Any revisions made to this proposal will invalidate the proposal.

This proposal is valid for <u>30 days</u> from the "Proposal Date" posted at the top of this form. Prices are subject to change based on price increases or modifications if they fall during this timeframe.

Special Conditions:

Notes:

This quotation is based on preliminary drawings. If actual yardage requirements are different, the price may change.
 Pricing for installation is subject to change based upon flooring conditions and preparation requirements. Refer to Special Conditions above (if applicable) for more information.

3) Unless stated otherwise in proposal, the following exclusions apply: Major floor prep and leveling; Hoisting; Handling electronic equipment (including but not limited to computers, telephones, and personal belongings); Payment and performance bonds; Floor and equipment protection; Long-term storage of materials; and asbestos identification, testing, and abatement. If materials are suspected to contain asbestos during work, all work will immediately stop and it is the sole responsibility of the customer to conduct testing and abatement.

4) Site Conditions: Area must be enclosed, a minimum of 65 degrees, and HVAC running for 72 hours prior to install. Area must be clear of equipment and materials from other trades. Subfloor must be structurally sound and suitable for specified flooring. Scheduling delays and site unprepared may result in additional costs.

5) Installation schedule to be agreed upon by the customer and Milliken. Disruptions or unplanned changes in owner's schedule may result in additional costs.

6) Taxes will be applied unless appropriate tax exempt documentation is received by the customer prior to invoicing.

7) Materials are billed separate from installation, subject to POD at ship-to.

8) Material prices include freight. Rates do not include special freight services unless specified in quote above.

All orders placed under Milliken's OMNIA Partners Contract are subject to Milliken's contracted terms and conditions with OMNIA Partners.

Sign and return one copy of this agreement before any work begins. Keep one copy for your records.

MCCFA Board of Director's Meeting

OPERATIONS COMMITTEE Report

LWC+LMN

July 22, 2021

Pam Plageman Executive Director Montgomery County Convention Facilities Authority 22 E. Fifth Street Dayton, Ohio 45402

Dear Pam:

The LWC+LMN team is pleased to submit the enclosed fee proposal to the Montgomery County Convention Facilities Authority (MCCFA) for the Dayton Convention Center master plan. The 90-day schedule begins in mid-August and concludes in mid-November.

Our scope is divided into the following categories:

Pre-Work	August
Client Meetings	August – November
Information Gathering and Analysis	August – September
Concept Exploration	September
Concept Refinement	October – November

The attached schedule provides greater detail about the scope and timeline to complete our work.

The LWC+LMN fee to complete the scope noted above and outlined in the schedule is \$258,000. Included in this fee are five finished renderings, separate from the concept level renderings produced through the course of design studies. Hourly rate sheets for LWC and LMN are attached.

An additional travel allowance of \$12,000 includes 3 site trips, for a total of 8 LMN staff trips, estimated at \$1500 per person trip (including contingency).

We are also recommending MCCFA approval of the following additional scope items: ADA assessment of the convention center (\$10,000) and creation of a three-dimensional model of the building (\$15,000).

LWC+LMN will utilize the following consultants, on an as-needed basis and bill these disciplines on an hourly basis, from a not-to-exceed allowance of \$40.000:

MEP Engineering – CMTA Structural Engineering – Shell + Meyer Civil Engineering – Burkhardt Engineering Cost Estimating – Rider Levett Bucknall IT/Data/AV/Security – Dynamix Architectural Lighting – HLB Lighting Design

As discussed in a prior conversation, we will begin working with you to confirm dates for client and stakeholder meetings throughout the 90-day schedule to ensure appropriate engagement from key individuals and organizations.

Please let me know if you have any questions about the fee proposal. We are also in the process of finalizing an AIA contract draft for the Phase I Priority Improvements.

Our team looks forward to starting the master planning process. We have received a great deal of positive feedback, as I'm sure you have as well, about the future ahead of the Dayton Convention Center. Thank you again for selecting LWC+LMN as your partner on this transformational journey.

Sincerely,

John Fabelo, AIA Partner LWC Incorporated
