BACKGROUND

In 1973, the Dayton Convention Center opened and was operated by the City of Dayton. Transfer of ownership to the Montgomery County Convention Facilities Authority took place on April 1, 2021. The facility currently offers a total of 150,000 square feet of space including 68,400 square feet of exhibit space with a VIP show managers suite; 20,000 square feet of ballroom space; 12,400 square feet of meeting space; a 672-seat theatre and 2 board rooms. There is 1 active tenant with office space at the facility. The facility is located downtown and connected to the a headquarter hotel in the process of changing brands, which offers 289 sleeping rooms as well as a 6,300 square foot ballroom and 5,800 square feet of meeting space. There is an attached parking garage with 1500 spaces. The Levitt Pavilion, an outdoor concert venue built in 2018, is next door to the Radisson. Two new hotel brands are under construction downtown and slated to open in 2022/2023, the Hotel Ardent, 120 rooms, and the AC Marriott, 134 rooms. In addition, a 91-room Hilton Garden Inn is planned. The Marriott at the University of Dayton is 1.6 miles from the Center and has 399 sleeping rooms. There are currently 70 hotel properties with a total sleeping room inventory of 6691 in Montgomery County. The Dayton International Airport is 12 miles from the Center. Downtown Dayton’s Oregon District is a mixed-use urban center offering residential, entertainment, dining, and shopping options. The historical “Dayton Arcade”, 4 blocks from the Center, redevelopment is underway with plans for a 500,000 square foot complex of marketplace retail, restaurants, and residential micro-lofts, as well as a commercial kitchen, higher education, and retail offices.

The mission of the Authority is to revitalize the Center, and support the CVB with the promotion of convention, visitor, and sporting events in Montgomery County. The MCCFA is funded by a 3% hotel/motel occupancy lodging tax and receives the City of Dayton 3% lodging tax collections. These revenues are utilized to renovate the DCC and fund operations. The goal of the Center is to attract conventions to bring out-of-town tourists to the County to generate an economic impact throughout Montgomery County.

The City owns the real estate on which the Center is situated and holds a ground lease with the Authority. The Authority governs the Center through MCCFA Board of Directors, made up of 11 members. The Budget and Finance Committee within the Board recommend the annual operating and capital budgets for the Center. The Committee ensures that funds are properly allocated and that the Center is being operated and maintained at the highest levels of effectiveness and efficiency.

The Montgomery County Convention Facilities Authority (“MCCFA”) is committed to equal opportunity and non-discrimination in all aspects of its contracting and procurement activities through the adoption of this Non-Discrimination Policy (“Non-Discrimination Policy”). Pursuant to this Non-Discrimination Policy, the MCCFA will not participate in either active or passive unlawful discrimination of any type.

The MCCFA recognizes that it has a continuing obligation to avoid unlawful discrimination in contracting and procurement activities. Therefore, all Respondents shall not have engaged, and shall not engage, in any kind of unlawful discrimination. Each Respondent, should they be engaged by the MCCFA, shall certify in writing that such Respondent, directly or indirectly, (1) has not engaged, is not engaged, and will not engage in any kind of unlawful discrimination involving race, color, sex, sexual orientation, disability, age, religion, veteran status or national origin, or any other basis prohibited by laws of the United States, the State of Ohio or the City of Columbus (“Other Prohibited Basis”), whether or not such discrimination is related to a contract or procurement activity with or for the MCCFA and (2) will not, for any purpose related to its engagement by the MCCFA, employ or contract with persons or businesses which the Contractor knows or has reason to know have engaged, are engaged, or will engage in any kind of unlawful discrimination involving race, color, sex, sexual orientation, disability, age, religion, veteran status or national origin, or Other Prohibited Basis, whether or not such unlawful discrimination is related to a contract or procurement activity with or for the MCCFA.

It is the position of the MCCFA that discrimination against business owners based on race, color, sex, sexual orientation, disability, age, religion, veteran status or national origin, or Other Prohibited Basis, is prohibited. No person unlawfully shall be denied the benefit of, or otherwise discriminated against, in connection with the award and/or performance of any contract or award, or modification of any contract or award, between a Contractor and the MCCFA on such basis.

The fundamental tenets of this Non-Discrimination Policy are as follows:

- All contractors should have an equal opportunity to compete with respect to contract and procurement activities of the MCCFA, regardless of race, color, sex, sexual orientation, disability, age, religion, veteran status or national origin;

effectively promotes and achieves non-discrimination and equal opportunity in connection with MCCFA contracting and procurement activities; and

- All contractors shall comply with this Non-Discrimination Policy. A contractor's success or failure to comply with this Non-Discrimination Policy will be a factor in any award of contracts or procurements from the MCCFA to such contractor.

The MCCFA through its staff, management company and other contractors shall be responsible for implementing, monitoring and evaluating this Non-Discrimination Policy.

The MCCFA staff shall periodically review this Non-Discrimination Policy to ensure that it effectively promotes non-discrimination and equal opportunity in connection with the MCCFA's contracting and procurement activities and periodically report to the Board regarding compliance by the MCCFA and its contractors.

If the MCCFA determines that the objectives of this policy are not being achieved, the MCCFA may, in its discretion, direct the Executive Director to conduct further investigations into the reasons for not achieving such objectives.
